## What We Believe

*We Believe* the Bible is God's Word (2 Tim.3:16).

*We Believe* in the Trinity (existing in three Persons), Father, Son, and the Holy Spirit (1 John 5:7).

*We Believe* Jesus Christ is God who became man, who died and rose again in order to provide forgiveness for our sins (John 1:1, 14; Romans 5:8).

*We Believe* that salvation is entirely apart from good works, baptism, church membership, man's effort and is of pure grace (Ephesians 2:8-9).

whole counsel of God~Acts 20:27.

Welcome to Changed By Grace!

Changed By Grace is a non-denominational church located in the Oceanway area of Jacksonville which began in 2002 under the direction of Pastor Steve Hereford. We are a Reformed church, that is, we teach that the Bible is sufficient for every area of your life and is infallible and inerrant in its original language. We believe salvation is by grace alone, by faith alone, and in Christ alone.

When you visit CBGCC, you'll learn quickly how different we are. You may be used to showing up at the front door of the church and having each member of your family ushered off to a different part of the campus for "age appropriate" teaching. At CBGCC, families stay together. That means we encourage the inclusion of children in our worship service. So don't bother looking for the nursery; we don't have one. We encourage all families to bring their children into the sanctuary. Cooing babies don't bother us one bit. Moreover, we believe it is important for children to worship with their parents, and to be taught how to sit through the service (Deut.31:12-13; Ezra 10:1; Mat.18:1-5; 19:13-15; Eph.6:1-4; Col.3:20).

Another unique feature at CBGCC is our life application time. This occurs immediately following the message preached. This question and answer format is an opportunity to share what you learned and how it has impacted your life. Every-

Changed By Grace Community Church is a Family Friendly, Reformed, Passionately Evangelistic Church that seeks to be God-Centered, Word-Saturated, and Christ-Exalting.
